v.72.

THIS INDEX consists of three parts: Author Index, Index to Pages, and Subject Index. A Title Index is not included, and subscribers who wish a Table of Contents in the bound volume should arrange to have the Tables of Contents of each of the six issues of this volume included among the pages to be bound. For the use of such subscribers an additional title page suitable for binding is included.

AUTHOR INDEX TO VOLUME 72

In this Index in alphabetical order are the names of the authors of all articles and the presenters of cases in Society Transactions which have appeared in the ARCHIVES, followed by the page numbers on which their articles or cases begin.

For Subject Index see page 6.

SUBJECT INDEX TO VOLUME 72

The following index contains an alphabetical list of significant subjects presented in this volume. Books reviewed are indexed alphabetically by title under the heading "Books." Obituaries are indexed under the heading "Deaths." Society transactions are listed under that heading, with individual papers indexed under appropriate headings. The word "case" in an index heading indicates a case reported in society transactions. Notices of symposiums, postgraduate courses, and similar events are indexed under the general heading "Postgraduate education."
